KUSKOKWIM PUBLIC BROADCASTING CORPORATION
McGRATH, ALASKA 99627

KSKO DELIVERS.

KSKO took to the airwaves July 1, 1981, with an eighteen hour per day schedule of music, news and community service messages. Within minutes, we heard from pleased listeners in McGrath, Nikolai and Farewell. Since then, we've heard from places like Red Devil, Takotna, Grayling and even --- according to the Kuskokwim Courier --- Tanana!

A crowd of 100 people gathered for ribbon cutting ceremony that featured remarks by Alaska's Congressman Don Young, McGrath Mayor Terry Chase and Leon Kiana, Chief of McGrath Native Village Council.

The crowd had the opportunity to tour the facility and meet the KSKO staff.

We're at 870 -- everywhere in KSKO Country!

KSKO (AM) 870 KHZ, 5000 watts by day, 1000 watts by night. August power down time: 9:15 p.m. KSKO is affiliated with National Public Radio, the Associated Press and the Alaskan Forces Radio Network.
